

The Massachusetts Department of Transportation invites you to a

Public Information Meeting

on the

North Andover - Route 114 Corridor Improvements

Project File No. 608095

Thursday, April 11, 2019

Workshop/Open House from 4:30 – 6:30 PM

The Stevens Estate at Osgood Hill

[723 Osgood Street](#)

[North Andover, MA 01845](#)

You are invited to join MassDOT at a Public Information Meeting on the North Andover – Route 114 Corridor Improvements Project. At this walk-in open house style meeting, each interested person will be allowed to discuss the project with the Project Team. Please feel free to stop by at any time between 4:30 and 6:30 PM.

The proposed project concept consists of geometric, safety, and capacity improvements along Route 114 (Turnpike Street) corridor from Waverly Road to Willow Street. The project proposes to provide a consistent cross section, upgrade traffic signals, and add sidewalks and a shared-use path with formalized pedestrian and bicycle crossings within the project limits. **In addition, the project is exploring options for improvements to the Hillside Road/Turnpike Street intersection.** All views and comments made at the meeting will be reviewed and considered to the maximum extent possible.
