

Addendum 1- Invitation for Bids-Athletic Field Lining

The Invitation for Bids for Athletic Fields Lining dated February 10, 2021 is amended as follows:

Page 6, Scope of Services E. Field Markings- Section 1c shall be amended as follows:

- c) All baseball and softball infields shall be graded, compacted, and raked where necessary, (batter's boxes, catcher's box, and pitcher's mound), grass edges trimmed, and raked ~~before each game~~ 2 hours prior to the state of each game.

Page 7, section 4- Field Hockey Fields

a) Each field hockey field will be painted twice per year. At the high school, there are two synthetic fields that shall be completely painted, once before the season and ~~one halfway through the season~~. must be repainted as often as required throughout the season. All painting must be based on current MIAA and NFHS requirements.

Questions and Answers:

1. Is there a game day schedule for the fields to be painted available now for bidding.
There are no schedules yet
2. Are there any existing lines on the turf fields.
Yes
3. Will the town supply a layout drawing for the Track and field complex.
No. A Track & Field coach will be available during striping for actual placements of the following:
Discus - sector lines and then arcs at 90' and 110'.
Javelin - runway lines, sector lines and then arcs at 80', 100' and 120'.
Shot Put - sector lines and then arcs at 30' and 40' and circles for 2 locations
4. Will Marble Dust be an acceptable substitute for the lime for safety reasons.
Yes, you may substitute marble dust for lime, provided there is no increase in cost to the Town.
5. Are the soccer fields at the Middle School full size or a reduced size.
Full size
