About Homes Four Our Troops: Homes for Our Troops (HFOT) is a publicly funded 501(c) (3) nonprofit organization that builds and donates specially adapted custom homes nationwide for severely injured post-9/11 Veterans, to enable them to rebuild their lives.

Most of these Veterans have sustained injuries including multiple limb amputations, partial or full paralysis, blindness, severe burns, and/or severe traumatic brain injury (TBI). These homes restore some of the freedom and independence our Veterans sacrificed while defending our country, and enable them to focus on their family, recovery, and rebuilding their lives.

Since its inception in 2004, nearly 90 cents out of every dollar spent has gone directly to our program services for Veterans. HFOT builds these homes where the Veteran chooses to live and continues its relationship with the Veterans after home delivery to assist them with rebuilding their lives.

HFOT has more than 100 Veterans in the application process for our program for severely injured Veterans. As a top-rated military and Veterans nonprofit organization, Homes for Our Troops relies on the generosity of donors like you.

Homes For Our Troops is a publicly funded nonprofit, with approximately 65 percent of our operational budget generated by individual donors, private and family foundations, and community fundraisers nationwide who step up to help our Veterans by coordinating everything from lemonade stands to golf tournaments.

About Texas Roadhouse: Texas Roadhouse has had a relationship with Homes for Our Troops since their inception in 2004. Last year the New England Texas Roadhouse restaurants fundraised for Homes for Our Troops raising \$27,867.
