

Notice- IFB- Virgin Granular Activated Carbon

The Town of North Andover is soliciting bids from qualified companies to supply and install 3,360 cubic feet of Virgin Granular Activated Carbon, as well as the removal and disposal of a similar quantity of Granular Activated Carbon, at the Water Treatment Plant located at 420 Great Pond Road, North Andover. The complete IFB will be available on July 27, 2026 at 8:00AM at bidnetdirect.com/massachusetts/northandoverma. All bids must be received by 2:00 p.m. on August 17, 2026 to be considered.

The Town of North Andover may cancel this IFB or reject in whole or in part any and all proposals, if they determine that cancellation or rejection serves the best interest of the Town of North Andover.
